IMAGERY ANALYSIS SERVICE

PRODUCTION BOARD MEETING

Thursday, 10 February 1972 - 1330

MEMBERS PRESENT

*OBSERVERS

IAS NOTES

Six Notes were reviewed and approved for publication.

NPIC NEWSLETTER "HOW ABOUT THAT?"

[redacted] noted that Office of the Director will receive one copy of the newsletter. It will not be distributed in IAS but items of interest will be passed to IAS personnel during staff meetings.

MISSION STATUS

AID SUPPORT

[redacted] commented on the excellent support IAS has received from AID/NPIC personnel over the past several months in the following areas:

IAS Target Prediction File. In response to an IAS request, AID is conducting a feasibility study of a modification, to allow scanning of data from previous missions.

* Attended P.I. Note session.
